

QUALITY POLICY

Utilegience Ltd are a specialist Consultancy, Construction and Commissioning Company that operate in many demanding and diverse markets both in the UK and internationally.

We look to add value at all points within the supply chain from Client Advisor to Solutions Provider, whatever our role we provide a wealth of Technical, Regulatory and Operational knowledge and experience to High Voltage, Pipeline and Power Generation Projects.

The Management Team will show leadership and commitment, and bear the responsibility for establishing, implementing, integrating and maintaining the Quality Management System. We undertake to ensure sufficient resources are made available within the Organisation to achieve this. We undertake to ensure through communication, engagement, practical example and training that Quality is the aim of all members of the Organisation.

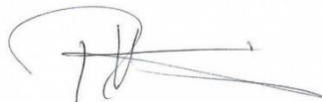

Through direction and support, each employee will have a proper understanding of the importance of the Quality System function, their responsibility to contribute to its effectiveness, and its direct relevance to the success of the Organisation.

We are committed to continued growth, customer satisfaction, continual improvement of our Quality Management System and in satisfying applicable requirements, including statutory and regulatory.

Equally, every employee is responsible for, and will be trained to perform the duties required by his or her specific role.

The Organisation has a Policy of promoting continual improvement and setting of Quality Objectives in line with the framework laid down within ISO 9001:2015 Standard. These objectives will address the risks and opportunities within the Organisation as determined by top management. Utilegience Ltd will set measurable objectives which will be reviewed regularly to ensure continual improvement.

The Quality System will be monitored, measured, evaluated and enhanced regularly under the top management's ultimate responsibility, with regular reporting and communication of the status and effectiveness at all levels.

Ross Waddington
(Managing Director)
